Dear Parents and Guardians,

Waseca Public Schools utilizes an online system, Infinite Campus, that allows parents/guardians to verify and review important student information. It is important that Waseca Public Schools has an accurate email account and valid phone number for your household. The Technology Responsible Use Agreement is included with this student verification process. The Agreement must be accepted in order to receive a device at applicable grade levels, or prevent a device from being deactivated.

To prepare for the 2021-2022 school year, all families need to go to the Parent Portal beginning **Thursday, April 29th** and **must complete the 21-22 Student Verification by Friday, May 14th.**

Please use the following directions to review and update your child(ren's) information:

1. Log into Campus Parent Portal
2. Go to the bottom left hand corner and click on **More.**
3. Click on **Student Verification.**
4. Click on **Begin Registration.**
5. Please look over and update the information in each section. All items with a red asterisk must be addressed.

Please call your applicable school office if you do not have access to a device, or if you do not have a Parent Portal account. We appreciate your assistance with this important process.

Si su familia habla español y desea ayuda para actualizar la información de inscripción de su hijo, comuníquese con Paul Davis al 507-835-5470 para programar una cita.

Sincerely,

Elizabeth Beery
