Information Regarding Season Passes to Waseca High School Events

Because of the uncertainty surrounding the current status of High School athletics and activities, Waseca High School has elected to not sell athletic passes for the foreseeable future. At this time, none of the athletic events will be collecting admission for attendance at events. Traditionally, we do not collect admission for all home Girls Tennis matches along with all home Cross Country meets. Boys and Girls Soccer does traditionally require either a pass or paid admission, however, the Big South Conference has implemented family pass system for this season that will limit attendance to two family members per student-athlete. No outside admission will be allowed.

Staff passes, along with volunteer passes will not be issued until there is more clarity regarding the future of the winter season, spring season, and the newly implemented "fourth season."

Fans are still encouraged to come out and support our Girls Tennis and Cross-Country teams, as long as they follow guidelines as outlined by the Minnesota Department of Health, the Minnesota Department of Education, the Minnesota State High School League, and the Waseca Public Schools.

For the second consecutive season, all Waseca High School Boys and Girls Soccer games will be livestreamed on the NFHS Network. For more information, please logon to www.nfhsnetwork.com and search for Waseca High School.
