XI. New Business

I. Calendar Change Requests

The 2017 MAAP Conference is February 9th & 10th, 2017. We are requesting that the staff from the ALC be allowed to attend this conference. There will be no school for 9-12 ALC students.

On April 19th the JHHS we will be holding both MCA reading and science testing for the sophomores and the ACT for the juniors. The JHHS is offering the ACT to all juniors. Last year we did not have grades 7, 8, 9 and 12 report so that we could provide an appropriate testing atmosphere for students. The JHHS is requesting that the School Board allow the same request for April 19, 2017. We recommend approval.
