

Waseca Public Schools Responsible/Acceptable Use Agreement

<https://bit.ly/WasecaAUPRUA>

Students are given access to district technology for educational purposes in accordance with the school district's mission, goals, and objectives. The use of the school district system is a privilege, not a right.

Users will not use the school district's computers/devices or network to access or transmit messages, websites, or other materials that are:

- Obscene
- Profane
- Disrespectful
- Racist
- Abusive
- Threatening
- Inflammatory
- Illegal

Users shall not damage or disable district system hardware, software, or wiring. Users shall not post private information about themselves or others or gain access to another user's materials. Users shall not violate copyright laws or licensing agreements.

Further, any other uses that are inappropriate to the educational setting or disruptive to the educational process are not considered acceptable use. Violation of the policy may result in one or more of the following:

- Notification of parents
- Suspension or cancellation of access privileges
- Payment for damages and repairs
- Suspension or expulsion
- Civil or criminal liability

Users are informed that school officials have the right to examine students and staff files, school-owned devices, and school email accounts at any time.

Parents and Students are responsible for:

- Responsible Use Agreement [1:1 Responsible Use Document](#)
- Waseca Public Schools [Acceptable Use Policy](#)

I have read the above summary, 1:1 Responsible Use Document. I understand my child's responsibility to follow the entire policy set forth by Waseca Public Schools.
